

# Honeymoon Planning Timeline

## 12 Months

- Start considering destinations.
- Decide on important logistics (i.e., when to travel and how long).
- (Optional) Begin researching travel agents.
- Create a savings plan.

## 8-10 Months

- Add your honeymoon registry to your wedding website.
- (Optional) Select a travel agent.
- Research what to do at your destination.
- Start working on a honeymoon budget.

## 6 Months

- Solidify where you're going and start booking accommodations and flights.
- Review passport and visa requirements for international trips. Apply for necessary documentation.
- Consider activities, restaurants, and all other things you want to do on the trip and factor them into the budget.

## 3 Months

- Review travel restrictions and requirements for your destination country.
- Research additional items you might need to purchase beyond just clothing (ex., packable floaties, water shoes, etc.).
- Take care of any medical needs (ex., shots, medicine, appointments, etc.).

## 1-2 Months

- Purchase tickets for activities and make any other necessary reservations.
- Make sure you have proper luggage and gear for your trip.
- Start gathering toiletries.
- Solidify your wardrobe.
- If you have pets, ensure you have a plan for their well-being while you're gone, whether that means booking a kennel, hiring a pet sitter, or having a friend stay over.
- Purchase travel insurance or travel medical insurance to provide coverage for unexpected medical emergencies or trip interruptions.

## Week Of

- Check your travel documents.
- Finish packing your bags.
- Upgrade your phone plan to include international coverage.
- Make sure the house is secure.
- Confirm all your travel arrangements and confirm reservations.
- Check weather reports.
- See if any travel restrictions have changed.
